RE Intent Statement

The RE curriculum at St Jude's is intrinsic to the outworking of our Christian vision and values, enabling all children to flourish.

We offer an excellent and engaging curriculum in RE, which challenges our pupils to discuss core concepts and questions.

We explore Christianity as a global, living and diverse faith, focused on the teaching of Jesus and the Church. We enable pupils to engage with Biblical text and theological ideas, so they acquire a rich, deep knowledge and understanding of Christian belief and practice.

St Jude's pupils gain knowledge and understanding of a range of world religions and world views, appreciating diversity, continuity and change within these. This sequenced learning encourages pupils to celebrate differences and foster respect for others.

Pupils develop a wide range of skills including enquiry, analysis, interpretation, evaluation and reflection. At St Jude's, we encourage pupils to develop a love of RE, offering them safe space to explore their own religious, spiritual and philosophical ways of seeing, living and thinking, believing and belonging. The spiritual, moral, social and cultural development of the whole child is important at St Jude's, preparing them for the next stage in their journey of life.
