Application for admission to Squirrels Nursery (2-3 years)

• In order to be considered for a Squirrels Nursery place this form must be returned to the school. Please read the Squirrels Admissions policy before completing this form (available on the school website or from the school office). Please note:

.

- Completing this form does not guarantee an offer of your preferred choice or of a place.
- There is no deadline for applications to Squirrels nursery and applications will be considered on receipt, butPlaces will not generally be offered more than one school term in advance.
- If you are offered a non-FEET funded place in Squirrels, you will be asked to pay a £100 deposit upon acceptance of the place. The deposit will be set off against your first bill. If your child fails to start Squirrels on the agreed date, the deposit will be retained by the school.
- Children attending Squirrels nursery do not have automatic entry to Acorns nursery. It is
 your responsibility to ensure you are aware of the Acorns admissions criteria. Normally,
 children who have not attended Squirrels but who live 2km or less from the school have
 priority over children living more than 2km from school (see website for details). The
 distance is measured using the Surrey County Council mapping database.
- If you believe you are entitled to FEET funding you must provide confirmation before a funded place can be offered see <u>link here</u> for details of how to apply.
- If you believe you meet the criteria for 30 hours free entitlement for 3-4 year old children, you must obtain an 11-digit eligibility code from HMRC see <u>link here</u> for details of how to apply. We need this code before we can offer a 30 hour place in the nursery.
- Please contact the school if you have any queries concerning completion of this form.
