Dear Mrs Chiverton

I am writing following the publication of your section 5 inspection report. Although your school was judged to require improvement overall, I was pleased to see the school's leadership and management were judged to be good.

It is encouraging to read in the report that leaders at all levels, including governors, are committed to improving the school. It is evident that you have identified clear priorities and are taking appropriate action to address these. I am pleased to note that pupils behave well and that the school provides a warm and welcoming environment. Furthermore, it is reassuring to that you are taking effective action to improve pupils' attendance and that the culture of safeguarding is effective.

I know that you and your team will be continuing your good work. I hope this will be reflected in your next inspection outcome, probably in two years' time or so.

In the meantime, I have asked Matthew Purves, Regional Director for the South East, and his Senior HMI to be available if you wish to discuss your progress.

Yours sincerely
