

## Christianity

# What do Christians believe about Creation?

### Key vocabulary:

creation

'The fall'

Big Bang

evolution

theory

(an idea that needs to be tested)

fact

(something that has been proved)

### Core knowledge:

- the creation narrative is shared by Jews, Christians and Muslims
- most Christians believe that:
  - God created the world and all living things and has put humanity in charge of its care
  - humans are given free will
  - human choices have led to the fall of all creation which is the cause of suffering
  - God will one day make 'all things new' and end all suffering
- the 'big Bible story' begins with creation and its themes are woven throughout
- Christian views can differ both within and across denominations
- some Christians believe that creation took place over seven days but others have different beliefs
