Me and My Community

Ladybird class Autumn 1

This half term we'll be learning all about ourselves and our families. There are lots of different people and families in the world.

Core Knowledge :

I have a family

These are the people in my family.

Our bodies are amazing and we need to keep them healthy and look after them. Doctors, nurses and dentists can help look after us. We also look after our bodies by washing them, eating healthy food, brushing our teeth. This half term we will be talking about the Dentist and healthy teeth.

Core knowledge :

I know my body parts.

I can look after my body.

Doctors, nurses and dentists look after us.

We also celebrate Harvest and try some of the fruits and vegetables that farmers grow.

Key words

Mummy, Daddy, Brother, Sister

family, friend

Dentist, Teeth, Mouth
